Q. Where is she now?

A. She is in Springfield State Hospital at Sykesville, Maryland.

Q. Is that a mental hospital?

A. Yes, it is the State mental hospital.

Q. How long has Clede been at Springfield?

A. She has been there about 8 years.

Q. Where did she reside until that time?

A. She resided with me in the family home until that time and she was sent there by Dr. Smith in Brunswick.

Q. Is he a medical doctor?

A. Yes, he has practiced medicine in Brunswick for more than 50 years.

Q. Now when you tell the Court that Clede lived at home until she went to Springfield about 8 years ago, do you mean the home the sale of which is the subject of these proceedings?

A. That is right.

Q. Has there been any legal adjudication of Clede's incompetency?

A. If by that you mean has a Court ever decided that she was mentally incompetent, the answer is no.

Q. Now, the other complainants in this case, namely, Leo C. Strippy and Mabel Strippy, his wife, Pauline Frampton and Robert Frampton, her husband, and Elizabeth Cornell and Eugene Cornell, her husband, are they all of your other sons and daughters?

A. That is right, and their husbands and wives. Of course, Robert Frampton died just before the Bill of Complaint was filed.

Q. And they have all signed the Contract of Sale agreeing to sell the real estate in question here and have signed the Bill for Partition as Complainants, is that correct?

A. Yes, that is correct.

Q. And the contract of sale of which you speak is the contract of sale which was filed in these proceedings and marked Exhibit "B", is that correct?

A. Yes, that is the one.
